MEMORANDUM FOR: Chief, Staff Personnel Division

SUBJECT

: Visits by Division Personnel to Operating Components

REFERENCE

: Report of the Inspector General's Survey of the Office of Personnel, April 1971, Recommendation

No. 9

- 1. This memorandum confirms our discussion of the referent Report and your course of action with respect to the subject.
- 2. Recommendation No. 9 refers specifically to the Selection Branch (3 officers), but its rationale is applicable to the Placement Branch (5 officers) as well. To ensure that personnel of both Branches have a continuing face-to-face relationship with their customers, it is requested that you establish a schedule by which each officer will make personal visits to designate operating components on at least a weekly basis. Your schedule should go into effect as soon as feasible, no later than 30 August 1971.
- 3. You and I, in our weekly discussions, will monitor the performance and effectiveness of this expansion of first-hand communication.
